

NORTH RYDE SOCCER CLUB

2010 REGISTRAR REPORT

Player registrations commenced in February 2010 with all hands on deck. Mail out of pre-filled registration forms to 2009 players proved successful on registration day with less queuing and more time available to welcome new players to the club.

65% of this seasons players had submitted their paperwork and payment by 21st February. The late payment fee imposed did not deter players re-registering the month before kick-off.

Total registered: 404 players, 14% increase on 2009's 355 players

Minis: 115 players, 14% increase on 2009's 101 players

Juniors: 150 players, 25% increase on 2009's 120 players

Seniors: 139 players, 4% increase on 2008's 134 players.

Payment by direct deposit was introduced this season, 135 players used this option to pay registration fees. Many players also enquired about online registration.

Online registration is currently being reviewed with plans to implement for the 2011 season.
