

Final Push for Players for 2012

Attention All existing players and current players.

We have got through our pre-season and North Ryde Soccer Club is in great shape for the 2012 season. We will field 38 teams with over 440 players.

With a couple of weeks to go before the season we have three age groups still looking for a couple of players:

(U6,U7,U8) Minis – pretty full, can accommodate one or two more only.

Under 9	Spots for just two more players
Under 10	Spots for four players, two in each of two teams
Under 11	Spots for just two more players

U12, U13, U14 and U16 All teams are full

AA and 35s Perhaps a couple of spots to fill the squads.

All the NRSC teams are very well coached and well supported, we just need those extra few players to finalise these age groups.

If you know anyone please get them to give me a call.

Regards,
